The Wrap Shack started "rolling 'em fat" in 2004. When Karen Macklin and Don Mattusch took over in 2011, they remained committed to serving Big Sky fast, fresh, healthy and affordable food.

We pride ourselves on making our sauces and salsas from scratch and using only the freshest ingredients in everything we make. Our aim is to provide the community with a menu that is **completely original, different and exciting.**

With daily specials, homemades soups, rotating yummy margaritas & mojitos, we are the local's favorite for fresh, awesome tasting food. With **quick service and awesome food** that will leave you more satisfied than any other restaurant in Big Sky, you'll see what "rolling 'em fat" really means.

**Thanks for choosing us** and let us know if we can make your experience any more enjoyable. We take requests for wraps, soups, sweet treats or yummy adult slushy beverages!
